Veterinary technicians are integral members of the patient care team and their ingenuity, dedication, and compassion are displayed every day. We are excited to present this year’s program, complete with a full day of continuing education including talks, labs, and masterclasses to deepen your knowledge base and enhance your professional life. We trust that you will find this year’s program to be challenging and informative and we look forward to seeing you on October 19th!

Danielle Jonas, BGS, CVT
Veterinary Technician Manager
Technician Conference Coordinator

Join us Saturday October 19th, 2019 in Gainesville, Florida for a full day of innovative veterinary technician continuing education

The University of Florida is an approved provider of CE credits for veterinary technicians by the Florida Department of Business & Professional Regulations, Board of Veterinary Medicine. Attendees will receive up to seven contact hours.
**Schedule**

*Follow the signs for parking. Registration is in the main lobby of the Small Animal Hospital from 7:30 a.m. until 8:20 a.m. Morning sessions are open to all registrants and available on a first-come, first-serve basis.*
